

WEINGUT JOSEF FRITZ

2017
Grüner Veltliner
Ried Mordthal
Große Reserve
DRY

This Grüner Veltliner was allowed to be stored on the fine yeast for 20 months after his spontaneous fermentation. Smoky with a breath of caramel, fine yellow exotic fruits, juicy and elegant with a touch of tender and well integrated wood.

*** HANDPICKED ***

Ried Mordthal

The site name „Mordthal“ probably comes from an old term for a narrow valley without an exit, which was used during the Stone Age as a strategic hunting aid. Here, the hunters cornered mammoths and killed them, as documented by many bone findings.
