

WEINGUT JOSEF FRITZ

2022
Riesling
Ried Schafberg
DRY

Surrounded by a forest, the small site called Schafberg ensures cool temperatures as the grapes ripen. This is the foundation for the precise line that characterizes the wine.

*** HANDPICKED ***

RIED SCHAFFBERG

The single site Schafberg is one of the highest sites in the Wagram wine growing region. The soil consists of fine sand interspersed with tertiary gravel. The north-easterly orientation and the prevailing wind guarantee a long vegetation period for the grapes, moderate gradations and therefore predestine the Schafberg for light, fresh and very mineral wines.
